

Hartford Man Tells His Story About How the Tonic CINOT Helped When Others Failed

MR. RICHARD BAILEY
Mr. Richard Bailey of 185 Seymour street, Hartford, says "CINOT" is a great remedy for a Spring Tonic, because a whole lot of people today are

dragging themselves around feeling half sick and half well and seem to have no ambition or "PEP" and to these people CINOT will surely be a great boon as it will breathe new life into them and banish that tired weary feeling that our fathers and mothers call spring fever. Mr. Bailey says:

"For about a month I have felt run-down and tired out, had a dull headache and seemed to feel tired all over, my appetite was poor and I did not sleep well nights and when I got up in the morning I felt as if I had not gone to bed at all and I knew that I needed a good Tonic that would clean out my blood, improve my appetite and tone up the entire system and a friend of mine told me to try CINOT which I did and I am thankful to say that it delivered the goods and I feel like myself again. Thanks to CINOT."

CINOT is being demonstrated in Norwich by an expert at the H. M. Lerou Drug Store, 208 Main St. It is also for sale in Danbury by W. E. LaSalle; in Mystic by the Wheeler's Drug Store; in Greenville Station, Norwich, by the Taftville Pharmacy; in New City by the H. Elmer New in Plainville; by the Mercier Pharmacy; in Baltic by the Baltic Pharmacy; in Moscow by J. W. Tuckerman; in Danvers by Mrs. Mabel Blanchard; in Putnam by Jas. P. Donahue, and can be obtained at all first class druggists.

The old Westerly hand engine of the Westerly Firemen's association, so it is claimed, was not given a fair show at the Bristol muster, Monday last. Fair enough as far as the local committee is concerned, but not fair to the old engine. An effort is being made to have the brakes mended. Westerly firemen in the next contest in which the old-time fire engine is entered, as it is the only way to obtain the best results. The Westerly contingent was short-handed at the Bristol muster, and in the main the brakes were mended by volunteers from other contesting companies.

It is said the volunteers loafed on the pumping job and were more of a detriment than a benefit, that they "weighed" the machine and that the real workers were lifting dead weight with every stroke.
